

MEDICAL CLEARANCE INFORMATION

Prior to participating in the program, it is necessary for you to get a medical clearance from your physician. The medical clearance is required to provide reasonable assurance that there is no medical reason why you should not participate in the program. This clearance must be obtained at your own expense.

There are three forms associated with a medical clearance. You will complete the Medical History Statement and provide that to your physician, along with the Medical Suitability form and the Medical Exam Report. If your physician does not wish to use the P.O.S.T. forms, at a minimum, the questions and information on the forms will need to be addressed and answered by the physician, using their own method.

Once the medical examination is complete, place the below items in a plain large manila envelope without folding the forms.

- P.O.S.T. Medical History Statement (Form 2-252)
- Physician Examination Information
- Proof of Medical Insurance (required at the time of application)

Seal the envelope and place your full name on the front. Address the envelope to:
SRPSTC Academy Coordinator – CONFIDENTIAL.

Hand-deliver the envelope to Isys Zuniga at:

**Sacramento Regional Public Safety Training Center
5146 Arnold Avenue
McClellan, CA 95652**
