JUVENILE CORRECTIONS OFFICER CORE

COURSE DESCRIPTION:

Juvenile Corrections Officer Core is an intensive 168-hour course designed for new juvenile corrections officers and students interested in a career in the juvenile corrections field. It covers the California criminal justice system, professionalism and ethics, defensive tactics, report writing, mental health challenges, gangs, physical conditioning, social justice, cultural awareness, and behavioral health. It was formerly known as PSTC 1519. Pass/No Pass only.

Because this course is designed to provide practical hands on training in police tactics and weapon usage, participants in this course will engage in physically demanding classroom training exercises that include a risk of injury to the participants.

Upon completion of the course, all students will receive an ARC SRPSTC Certificate of Completion and a grade submitted for their college transcripts.

Important Note: Students are strongly encouraged to arrive on time in order to complete the registration process and avoid impeding instructional time. Late students who miss this process will not be allowed to attend the course.
