PC832 Firearms Familiarization MEDICAL CLEARANCE FORM

During the basic course training program, Recruits perform the physical and cognitive activities listed below throughout training days lasting up to (24) hours.

I. GENERAL TRAINING (*PC832 Firearms Familiarization*)

- Handwrite multiple reports and memos
- Type multiple reports and essays
- Take handwritten and computerized tests
- Participate in classroom discussions and required learning activities
- Sit and/or stand throughout the training day
- Participate in simulated law-enforcement situations (i.e., foot pursuits, arrests, building searches)
- Read handouts, statute books, and workbooks
- Remember and follow all course safety rules
- Follow written and/or verbal instructions from staff and instructors

II. FIREARMS TRAINING (*PC 832 Firearms Familiarization*)

- Draw, shoot, and re-holster a handgun within a given time limit
- Fire handgun courses from various positions (standing, kneeling, prone)
- Fire shotgun courses at fixed targets from various positions (standing, kneeling, prone)
- Establish and maintain stable footing/balance while moving to different targets and during shooting positions while transitioning quickly from one position to the other (e.g., standing to kneeling, kneeling to standing, and standing to prone)
- Run or sprint 25 yards and/or perform calisthenics and then fire handgun from various positions (standing, kneeling, prone)
- Follow instructions to safely load and unload a semi-automatic handgun
- Follow instructions to draw a loaded handgun from the holster and shoot at a target
- Obey immediately all auditory and visual commands, including immediately stopping firing when given the command “Cease Fire” or “Stop Training”

**** Students who are or may become pregnant are urged to discuss the possible health risks to the fetus from the physical activities required during training and from the inevitable loud noises and exposure to lead during firearms training.**
