HOUSING STATUS ADJUSTMENT

STUDENT INFORMATION

---

Last Name	First Name	M.I.	Student ID#
-----------	------------	------	-------------

---

The housing status question was removed from the FAFSA, so all students will have an assumed housing status based on dependency status and living situation. If your housing status is incorrect or has changed, you may use this form to report a change in your housing status so your accurate cost of attendance can be established. Please note that the housing status is subject to validation and may lead to billing if reported inaccurately.

**For the 2025-2026 academic year (select one):**

- I live at home with my parents/relatives.
- I live off-campus. \*

*\*Note: If you are living off campus, please attach proof of residency. Proof of residency includes mortgage note/statement, signed rental/leasing agreement, a letter from the landlord or leasing agent, rent receipts or a utility bill in the name of the student for the new address of record. Your address should match the address on file with Admissions & Records.*

CERTIFICATION AND SIGNATURE

- I certify that all the information reported is true and correct.
- I understand an adjustment to my housing status does not guarantee an increase in my financial aid awards.

**WARNING: If you purposely give false or misleading information on this worksheet you may be fined, sentenced to jail, or both.**
