UNUSUAL ENROLLMENT HISTORY APPEAL STATEMENT

STUDENT INFORMATION

Last Name First Name M.I. Student ID#

The U.S. Department of Education has determined that you have an unusual enrollment history, which indicates that you received Federal Pell Grant funds and/or Federal Direct Loans at three or more institutions during the past four years.

We have reviewed your submitted academic transcripts and your Statement of Enrollment History. It was determined that you did not earn academic credit at one, or more, of the previously attended institutions. Additionally, you have not provided compelling reasons and documentation as to why you failed to receive academic credit for the period you received financial aid.

If you wish to appeal this decision, please include a typed statement below to explain the extenuating circumstances for your failure to earn academic credit. Explain all terms in which you failed to earn credit. Include any documentation to support your statement that has not already been submitted.
